Additional Notes:

Friday Morning we expect to begin seeing snowfall at or between 6-10:00am Friday Morning. Snowfall will start out light and increase in intensity with heaviest snowfall expected to be in the afternoon and evening hours. Snow will continue into Friday evening forecasted to end Saturday morning by 6-9:00am. Total snowfall amounts are estimated at this time of 4-8”, with local spots possibly seeing more. It is very early in the exact storm track and details are subject to change as the storm track becomes clearer.

Friday Morning we will mobilize crews on all pre-approved sites as conditions dictate. Additionally we will send out an updated “ACTION PLAN” between 9:30 and 10:00 AM Friday morning.
